Visit enjoyexploreindia.com for information about upcoming workshops

when	the workshops
Monday August 2	"Fruity Delight" You'll enjoy fruit like never before when you make this exotic and colorful fruit "chaat," a spicy, tangy treat that will give any Indian summer day the perfect start.
Wednesday August 4	"Rich Tapestries of India" Learn about the breathtaking tapestries that have made India famous all over the world, then make a rich and colorful fabric wall hanging to brighten your own home.
Friday August 6	"Majestic Himalayas" Climbers and adventurers have long known the splendors of the snow-capped Himalayas. We'll learn the secrets of this mountain chain and re-create its beauty in our own way.
Monday August 9	"Monkey Stories " Monkeys are curious and intelligent, the brilliant ancestors of the human race, they say. Hearing tales of their wit, charm and tricks will be a lot of fun – and of course a little play!
Wednesday August 11	"Krazy Wheels" Big or small, spiky or smooth, wheels have changed the way we move. Whether you like to take it fast or slow, make your own Krazy Wheels automobile and see how far you can go!
Friday August 13	"Glorious Sun" Can you imagine a world without the light of the sun? There'd be no warmth or summer fun! Learn about the solar system, then make beautiful yarn art to celebrate the glorious sun.
Monday August 16	"Butterfly Dreams" Creeping caterpillar to beautiful butterfly is an amazing transformation, we know. Now use your imagination to create a colorful butterfly and watch it glow!
Wednesday August 18	"Musical Sounds of India" Listen to the tabla, sitar, flute and more to take in the amazing sounds of nature, then design a beautiful mural to capture the sights and sounds that delight your heart!
Friday August 20	"The Ship of the Desert" Visit the Thar desert of India and enjoy the sounds and sights of Rajasthan, a state so grand. You'll find out why the one-humped camel is man's best friend in the sun and the sand.
Monday August 23	"Pineapple Mithai" Indian sweets are no doubt a treat – they're easy to make and delicious to eat. Learn to fix this summer sweet and impress your friends with your culinary feat!
Wednesday August 25	"Clay Creations" From pots and sculptures to handmade toys, terracotta is the way to go. Want to create your own Indian pottery? Just start with your imagination and let it flow!
Friday August 27	"Tall Tales from India" Do you know the story of the little boy who beat a giant and married the princess? Come and listen to the captivating folk tale "Rakshas Bhakshas" to find out more.
