

## Enjoy Explore India (EEI) Celebrates Its Launch

Seema Moondra (right) and AI MacIlroy, Seema's SCORE counselor

Enjoy Explore India celebrated our debut on May 1 with an Open House in North Brunswick and the launch of our website, [enjoyexploreindia.com](http://enjoyexploreindia.com). Pranav Sarma (photo at right, top row) opened the ceremony by singing an Indian classical devotional song.

Seema Moondra, founder and owner of EEI, thanked AI MacIlroy for his guidance as a [SCORE](#) counselor. [Hi Technology and Services](#) developed the website in record time so we could bring [EEI Summer Exploratorium](#) to youth in our community this summer.

Thanks also go to [Liz Daleske](#), EEI editorial consultant; Chhaya Somani, who assisted with website specification writing; Vritti Agarwal, EEI's graphic design intern; [Tasha O'Neill](#) for her valuable advice on design and color; Louise and Tom Kauders, owners of [Keyboard Kids](#), where EEI will hold its summer program; and all the friends and family who have contributed to making this dream come alive.

A very special thanks to:

My grandparents, mom and dad, who always encouraged me to pursue my dreams, and to all the 4H Indian Langoor Club kids and families who have inspired me for the last 13 years to develop what is launching today as Enjoy Explore India.

### Indian Summer

The theme of the competition is "What summertime means to me..." Let your imagination flow, then get out your crayons, paints, scissors and glue (or anything else that inspires you) and create a work of art that illustrates a favorite memory from a past summer, or your hopes for the upcoming summer.

All artwork must measure 11 x 17 inches, but the rest is up to you.

Bring your work to the EEI Summer Exploratorium Open House on June 6 at 11am.

**3 prizes will be awarded by 1pm on the same day.**
